

Introduction to Comey & Shepherd Relocation Services

When you are recruiting or relocating a key employee, Comey & Shepherd Corporate Relocation Services will assure your success.

With 4,300 offices within Leading Real Estate Companies of the World™ we will coordinate home purchase, rental assistance, or marketing assistance for the relocation of your employees anywhere in the United States and in over 100 countries around the world. Our reputation has earned us the confidence of many corporations who have relied upon our expertise for their relocation needs. We would like to earn your respect and your business.

By coordinating all aspects of your employee's relocation, we use our national and international resources to smooth the transition, reduce stress and increase employee productivity. Our extensive network, combined with our experience, ensures that your employees' relocations are managed effectively and efficiently.

We value your company's most important asset...your employees!

Company Profile

Comey & Shepherd was founded in 1946 and is currently the #1 real estate company in the Cincinnati Region. It's the oldest locally-owned brokerage in Greater Cincinnati/Northern Kentucky — an industry leader and innovator offering programs designed to ensure unparalleled service and heightened communication.
